***SHBP Summer Coverage:** Students enrolled in the Student Health Benefit Plan (SHBP) during spring semester will be automatically covered through the summer term at no additional charge. Coverage remains active even if a student graduates at the end of spring or does not enroll in summer courses. Degree-seeking students registered for three or more qualifying credits during the summer term are required to have health insurance. New students and students with an expired Student Health Benefit Plan waiver will automatically be enrolled in the SHBP unless they request a waiver by providing proof of health insurance through MyU.
