One Stop is your go-to source for student information and services regarding financial aid, billing, payment, student employment, registration, student records, and veterans benefits.

**SPRING SPOTLIGHT**

**Multi-I Enrollment**

Consider Multi-I enrollment to stay on track for four-year graduation, explore academics, or gain class schedule flexibility.

If you are registered at multiple campuses, you’ll receive a bill from each campus you’re registered at in MyU. Any financial aid you receive will be based on the combined credits for which you are registered at all campuses. If you have any financial aid left over after it has been applied to your Morris bill, the extra aid will be sent to you in the form of a refund. If you receive a refund, it should be used to pay your bill at the other campus(es). Please set up direct deposit in My Finances to receive your refund in the most efficient manner.

**TIMELY TOPICS FOR SPRING**

- **FAFSA:** The 2021-22 FAFSA is now open. This must be completed annually to determine financial aid eligibility. Complete yours as soon as possible at fafsa.gov.
- **Registration:** If you haven’t registered for spring classes yet, please be sure to do so as soon as possible. If a hold is preventing you from registering, please reach out with any questions.
- **Billing/payment:** Payment is due in full February 5th unless you enroll in the payment plan for a $20 fee. You must enroll in the payment plan each term you intend to use it.
- **Financial aid:** Financial aid is based on enrollment. In order to ensure that you have maximized your aid, consult with a One Stop counselor. If you need to change your schedule at any time throughout the semester, check with One Stop to be aware of any impact it might have to your financial aid.
- **Emergency grant:** The SAGE grant can be used to provide quick-response funding to students for short-term financial emergencies. Read more at z.umn.edu/ummgrantswaivers.
